# Coronavirus: Information about mRNA vaccinations in the canton of Bern

**Vaccination is voluntary and free of charge. You will need 2 mRNA vaccinations that are given 4-6 weeks apart.**

**What do I need to do to get vaccinated?**

Anyone aged 5 and over can register and book an appointment at <https://be.vacme.ch>.

**Am I eligible to receive the vaccination?**

Yes, if you:

- > are 5 years or older
- > do not have a fever and exhibit no other COVID-19 symptoms
- > have no allergies to any component of the vaccine
- > are not in isolation or quarantine
- > are in week 12 or later of pregnancy

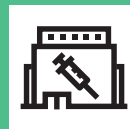

Allergy sufferers with severe reactions to vaccines and people with severe immune suppression must consult their doctor before being vaccinated.

**How do walk-in vaccinations work?**

Simply register at <https://be.vacme.ch> without booking an appointment and then go to a walk-in vaccination centre during its opening hours.

If you don't have internet access, please go a vaccination centre that offers walk-in vaccinations. You will receive assistance there with your registration.

**Where can I get vaccinated?**

**What do I have to consider if I am between 12 and 15 years old?**

Youths capable of exercising judgement do not need to be accompanied to the vaccination appointment by a person with parental authority.
